

**2005 pinot noir “lambda”
ampelos vineyards, sta. rita hills**

bursting with rich cherry notes and the underlying flavor of cola, this pinot is what sta. rita hills is about. the nose offers a hint of milk chocolate and blueberries. we make all our wines to be extremely food friendly. our “lambda” is great with grilled salmon, roast veal and juicy dishes.

we are a small, family operated vineyard and winery in the sta. rita hills ava - north santa barbara. we believe in caring for and respecting the environment and working to have our vineyard in balance, therefore we are 100% biodynamic farmed and one of the first to be *certified “Sustainability in Practice”*, a milestone of which we are particularly proud.
