

**2005 syrah “Γ” (gamma)  
ampelos vineyard – sta. rita hills**

this is our black beauty gamma which offers a nose of toasted oak and dark cherries. the palate of almonds, orange peel and dark chocolate are the signature of syrah from the ampelos vineyard. we like to call this our “lip licking” wine -- the palate goes on forever.

we are a small, family operated vineyard and winery in the sta. rita hills ava - north santa barbara. we believe in caring for and respecting the environment and working to have our vineyard in balance, therefore we are 100% biodynamic farmed and one of the first to be *certified “Sustainability in Practice”*, a milestone of which we are particularly proud.
